

# AdvanceAcceptance

## Automotive & HD Financing Overview

Advance Acceptance provides equipment financing and leasing for automotive and heavy duty shop equipment. No matter the size of your business, we're here to help you obtain the equipment needed to stay ahead of the competition.

**Shops:** Advance Acceptance provides financing for automotive repair, tire shops and service centers, as well as auto body and collision shops.

**Dealerships:** Programs designed to help service departments obtain equipment needed to repair and maintain today's advanced autos.

**HD:** Heavy duty equipment finance programs help to offset initial expenditure and streamline operating budgets for service providers in the heavy duty industry.
