

AdvanceAcceptance

Light Industrial & Power Equipment

Advance Acceptance provides equipment financing and leasing for light industrial and power equipment. No matter the size of your business, we're here to help you obtain the equipment needed to stay ahead of the competition.

Light Industrial: Finance programs are available for a variety of light industrial equipment ranging from skid steers and trenchers, to chippers and stump grinders.

Power Equipment: Financing for equipment valued at \$2,000 or higher is available. See the list below to reference types of power equipment we typically finance.

Rentals: Our programs are designed to increase the quantity – and quality – of equipment available to your customers.

Equipment We Finance:

- Commercial Mowers
- Trenchers
- Earth Movers
- Light Industrial
- Skid Loaders
- Spreaders
- Dumpers
- Construction
- Chippers
- Stump Grinders
