

AdvanceAcceptance

— Vendor Solution Brief —

Since 1972, Advance Acceptance has been providing lease and finance solutions with fast and efficient service for commercial, industrial and municipal customers. Advance Acceptance makes the selling process simple by providing the tools and support you need, before meeting your future customers.

As an organization, we want to help you close more sales by offering competitive programs, specialized payment plans, fast credit responses, excellent customer service, and value added support. The Advance Acceptance team is excited to work for you!

What does your Advance Acceptance team look like:

- A dedicated Business Development Manager,
- a dedicated Account Manager,
- Marketing,
- Documentation,
- Credit,
- Operations,
- Accounting, Accounts Payable and Billing,
- and an internal Collections Department.

Advance Acceptance does not outsource staffing and all employees are retained in-house. We are a national institution and have worked within all 50 states since 1972.

We are a Bank Affiliated Direct Lender:

Meaning no more third-party brokers or lenders to deal with. This ultimately translates into less stress on your operational staff and often a much lower rate for the end-customer.

Advance Acceptance has been owned by First Western Bank & Trust of Minot, North Dakota since 2002.

Partners, Not Prisoners:

Advance Acceptance does not require any additional fees or service charges to do business. We are distinguished in the marketplace by the fact that equipment finance requires a mutual relationship, where all parties benefit.

Customers Come First:

We stand by our commitment to the people who matter most – your customers. We do what we say we'll do, without gimmicks or hidden terms. This approach allows sales teams to focus on closing the deal with integrity.

Three Reasons to Partner with Advance Acceptance for Vendor Financing

We put our customers first.

We are a bank affiliated lender.

No hidden fees & quick funding.
